

For premier leagues games, send email to Tim Chaisson informing him of the game. (tchiass@cox.net) After that is done and the game is accepted, the game will appear on the website. (gameofficials.net) Managers & coaches will be able to check the website to make sure they are on the right field at the right time. We will do the best we can to accommodate, but we have to have some limits. I will schedule referees based on the order I receive request (dated emails); despite field reservations being made. If at all possible, try to keep matches to assigned league weekends and please try to get them in early and don't wait to reschedule the last weekends.

For the schedule, games will be accepted in this format.

Saturday

12pm: 2 games

2pm: 3 games

4pm: 4+ games (Depending on availability of referees)

6pm: 4+ games (Depending on availability of referees)

Sunday

9am: 4+ games (Depending on availability of referees)

11am: 4+ games (Depending on availability of referees)

1pm: 2 games (Depending on availability of referees)

3pm: 2 games (Depending on availability of referees)

5pm: 4+ games (Depending on availability of referees)

On Sunday, the adult leagues play. Because of this, the schedule needs to be at odd hours so referees can move from Adult games to league games. Exceptions may be made depending on the availability of the referees.

For friendlies, email myself. (tylermitcham2003@yahoo.com) Also, the coaches/managers can add there friendlies on the website pending approval.
